In addition to the rental fee indicated below, persons renting City pools shall be required to pay the City for the cost of providing lifeguards for the event. The number of lifeguards required for this use will be determined by Parks and Recreation Department staff based on the number of individuals utilizing the facility and the pool being utilized. Rental fees for said use shall be as follows.

SWIM TEAM

Each summer the Parks and Recreation Department has a competitive swim program at each of our 24 pools. The program is **free** to all participants. The program runs once outdoor pools are open with each pool having a team for children and adults in that community. Participants practice each day in order to compete against other pools each weekend. We are members of the Texas Amateur Athletic Federation (TAAF) which is a non-profit organization established in 1925 to promote and organize amateur athletics in the state of Texas.
